The SeeThruEquity and RHK Capital Disruptive Showcase (<http://disruptnyc.com/>) was held September 27, 2017 at the Grand Hyatt in New York City. SeeThruEquity and RHK Capital are the host of acclaimed investor conferences that are the ultimate event for publicly traded companies with market capitalizations less than \$1 billion.

The MicroCap Conference (<http://microcapconf.com/conferences/new-york-2-2017/>) was held October 4-5, 2017 at the Essex House in New York City and included 100 companies, as well as 500 investors, alongside a multitude of panels on cannabis, cryptocurrency, uplisting, and financing, among others.

The Dawson James Small Cap Growth Conference (<http://dawsonjames.com/conferences/>) will be held October 18-19, 2017 at the Wyndham Grand Hotel in Jupiter, Florida. The invitation-only event will bring growth companies together with the industry’s most active strategic investors. In addition to a full-day of two-track presentations from 30 companies in healthcare, technology, and consumer sectors, the conference facilitates one-on-one investor meetings, an uplist “boot camp,” and suites of networking opportunities.

The Dawson James Small Cap Growth Conference will be followed by the Stephens Investment Conference (<https://www.stephens.com/institutional-equities-and-research/research/events/conferences/fall-investment-conference3/>) on November 7-8, 2017 at the Lotte New York Palace Hotel in New York City, the National Investment Banking Association Conference (<http://nibanet.org/conferences/niba-november-13-14-2017-new-york-ny-conference>) on November 13-14, 2017 at the Westin Times Square in New York City, the Torrey Hills Capital Emerging Growth Conference (<http://www.torreyhillscapital.com/conference-2017/>) on November 13-15, 2017 at the Morgan Run Club & Resort, and the LD Micro Main Event (<https://www.ldmicro.com/events>) on December 4-7, 2017 at the Luxe Sunset Boulevard Hotel in Los Angeles.

Hodson was recently invited to participate in the “Lion’s Den” panel at the 7th Annual Catalina Film Festival September 29th, 2017 on Catalina Island. The “lions” selected for the panel entertained offers from aspiring filmmakers seeking funding for their feature/short film or TV/Web series in a format similar to TV’s “Shark Tank.” Details about the festival can be found at <http://catalinafilm.org/summit/>.
